The Moon is in the seventh house.

Toby Lewis will learn through observing and one of the easiest ways to get him to do something is by example. He will show a love of learning if it can be shared with others but he should never be rushed; just let your child move on to any new stage at his own pace and this will avoid hampering or restricting his natural progress.

Jupiter is in Aquarius.

It will very soon become apparent that Toby Lewis has thoughts, opinions and a will of his own! He will have a freedom-loving streak and this might make him seem a little rebellious at times but all Toby Lewis is trying to do is explore and figure out the world around him. He has a charitable nature and would give his last pound to a stranger in need because sharing is what Toby Lewis does best.

The Midheaven is in Libra.
